60 Day Temporary Liquor License Application

\$50 Fee

- You may apply for a temporary liquor license if you are assuming a business that has an existing liquor license. You must be applying for the same type of license held by the current licensee.
- This license allows you to operate under the current licensee's privilege for up to 60 days. (If the current license expires within 60 days, a temporary license can only be issued for the period remaining on the current license.) **Issuance of a temporary liquor license does not guarantee approval of the annual license.**
- A temporary liquor license application normally takes approximately four weeks to process. To qualify for the temporary liquor license:
 - All applicants must clear through a criminal history check.
 - All required documents for a liquor license must be turned in and reviewed (please see the publication "How to Apply for a Liquor License" for more information on the licensing process).
 - You must have a briefing on liquor laws and regulations from your local Liquor Control Agent.
